re: **Request for extension of time to complete Notice of Intention for Lone Pine Quarry, M/003/050,
Box Elder County, Utah.**

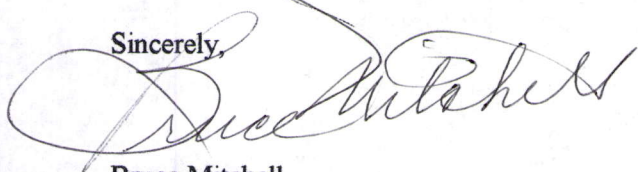

Dear Wayne:

I will not be able to complete the Notice of Intention to Commence Large Mining Operations (NOI) for the Lone Pine Quarry, M/003/050, Box Elder County, Utah by the date requested by DOGM. The 45 day time limit in DOGM's letter of May 14, 2001, calculates out to June 29 as the due date for the NOI to be at DOGM in Salt Lake City.

The consultant was not able to begin work until June 18. He has been to the quarry once and has been in contact with Lynn Kunzler. A large amount of information must be gathered to answer the questions addressed in the review, so I need additional time. I request an extension for the due date of the NOI to August 2, 2001. Will this date be acceptable to you? If all goes well, I plan to have the NOI to you by an earlier date.

Thank you for your assistance.

Sincerely,

Bruce Mitchell
